Claims listed in this subsection consist of debts secured by a purchase money security interest in a vehicle for which the debt was incurred within 910 days of filing the bankruptcy petition, or, if the collateral for the debt is any other thing of value, the debt was incurred within 1 year of filing. See § 1325(a)(5). After confirmation of the plan, the Trustee will pay to the holder of each allowed secured claim the monthly payment in column (f) based upon the amount of the claim in column (d) with interest at the rate stated in column (e). Upon confirmation of the plan, the interest rate shown below or as modified will be binding unless a timely written objection to confirmation is filed and sustained by the Court. Payments distributed by the Trustee are subject to the availability of funds.

(C). Surrender of Collateral. Debtor will surrender the following collateral no later than thirty (30) days from the filing of the petition unless specified otherwise in the Plan. Any claim filed by a secured lien holder whose collateral is surrendered will be treated as unsecured. Any involuntary repossession/foreclosure prior to confirmation of this Plan must be obtained by a filed motion and Court order, unless the automatic stay no longer applies under § 362(c). Upon Plan confirmation, the automatic stay will be deemed lifted for the collateral identified below for surrender and the creditor need not file a Motion to Lift the Stay in order to repossess, foreclose upon or sell the collateral. Nothing herein is intended to lift any applicable co-Debtor stay, or to abrogate Debtor's state law contract rights.
